Make your own **WISHH** *bunting!*

WISHH
Charity
Supporting *Your* Hospitals

@WISHHcharity

Instructions

- Cut your bunting out along the cut mark and fold it along the fold mark.
- Tape the flap down, but leave the sides of it open. This will allow you to thread your string through the flap.
- Thread string through the secured flap.
- Tie knots along the string to space out your bunting evenly.

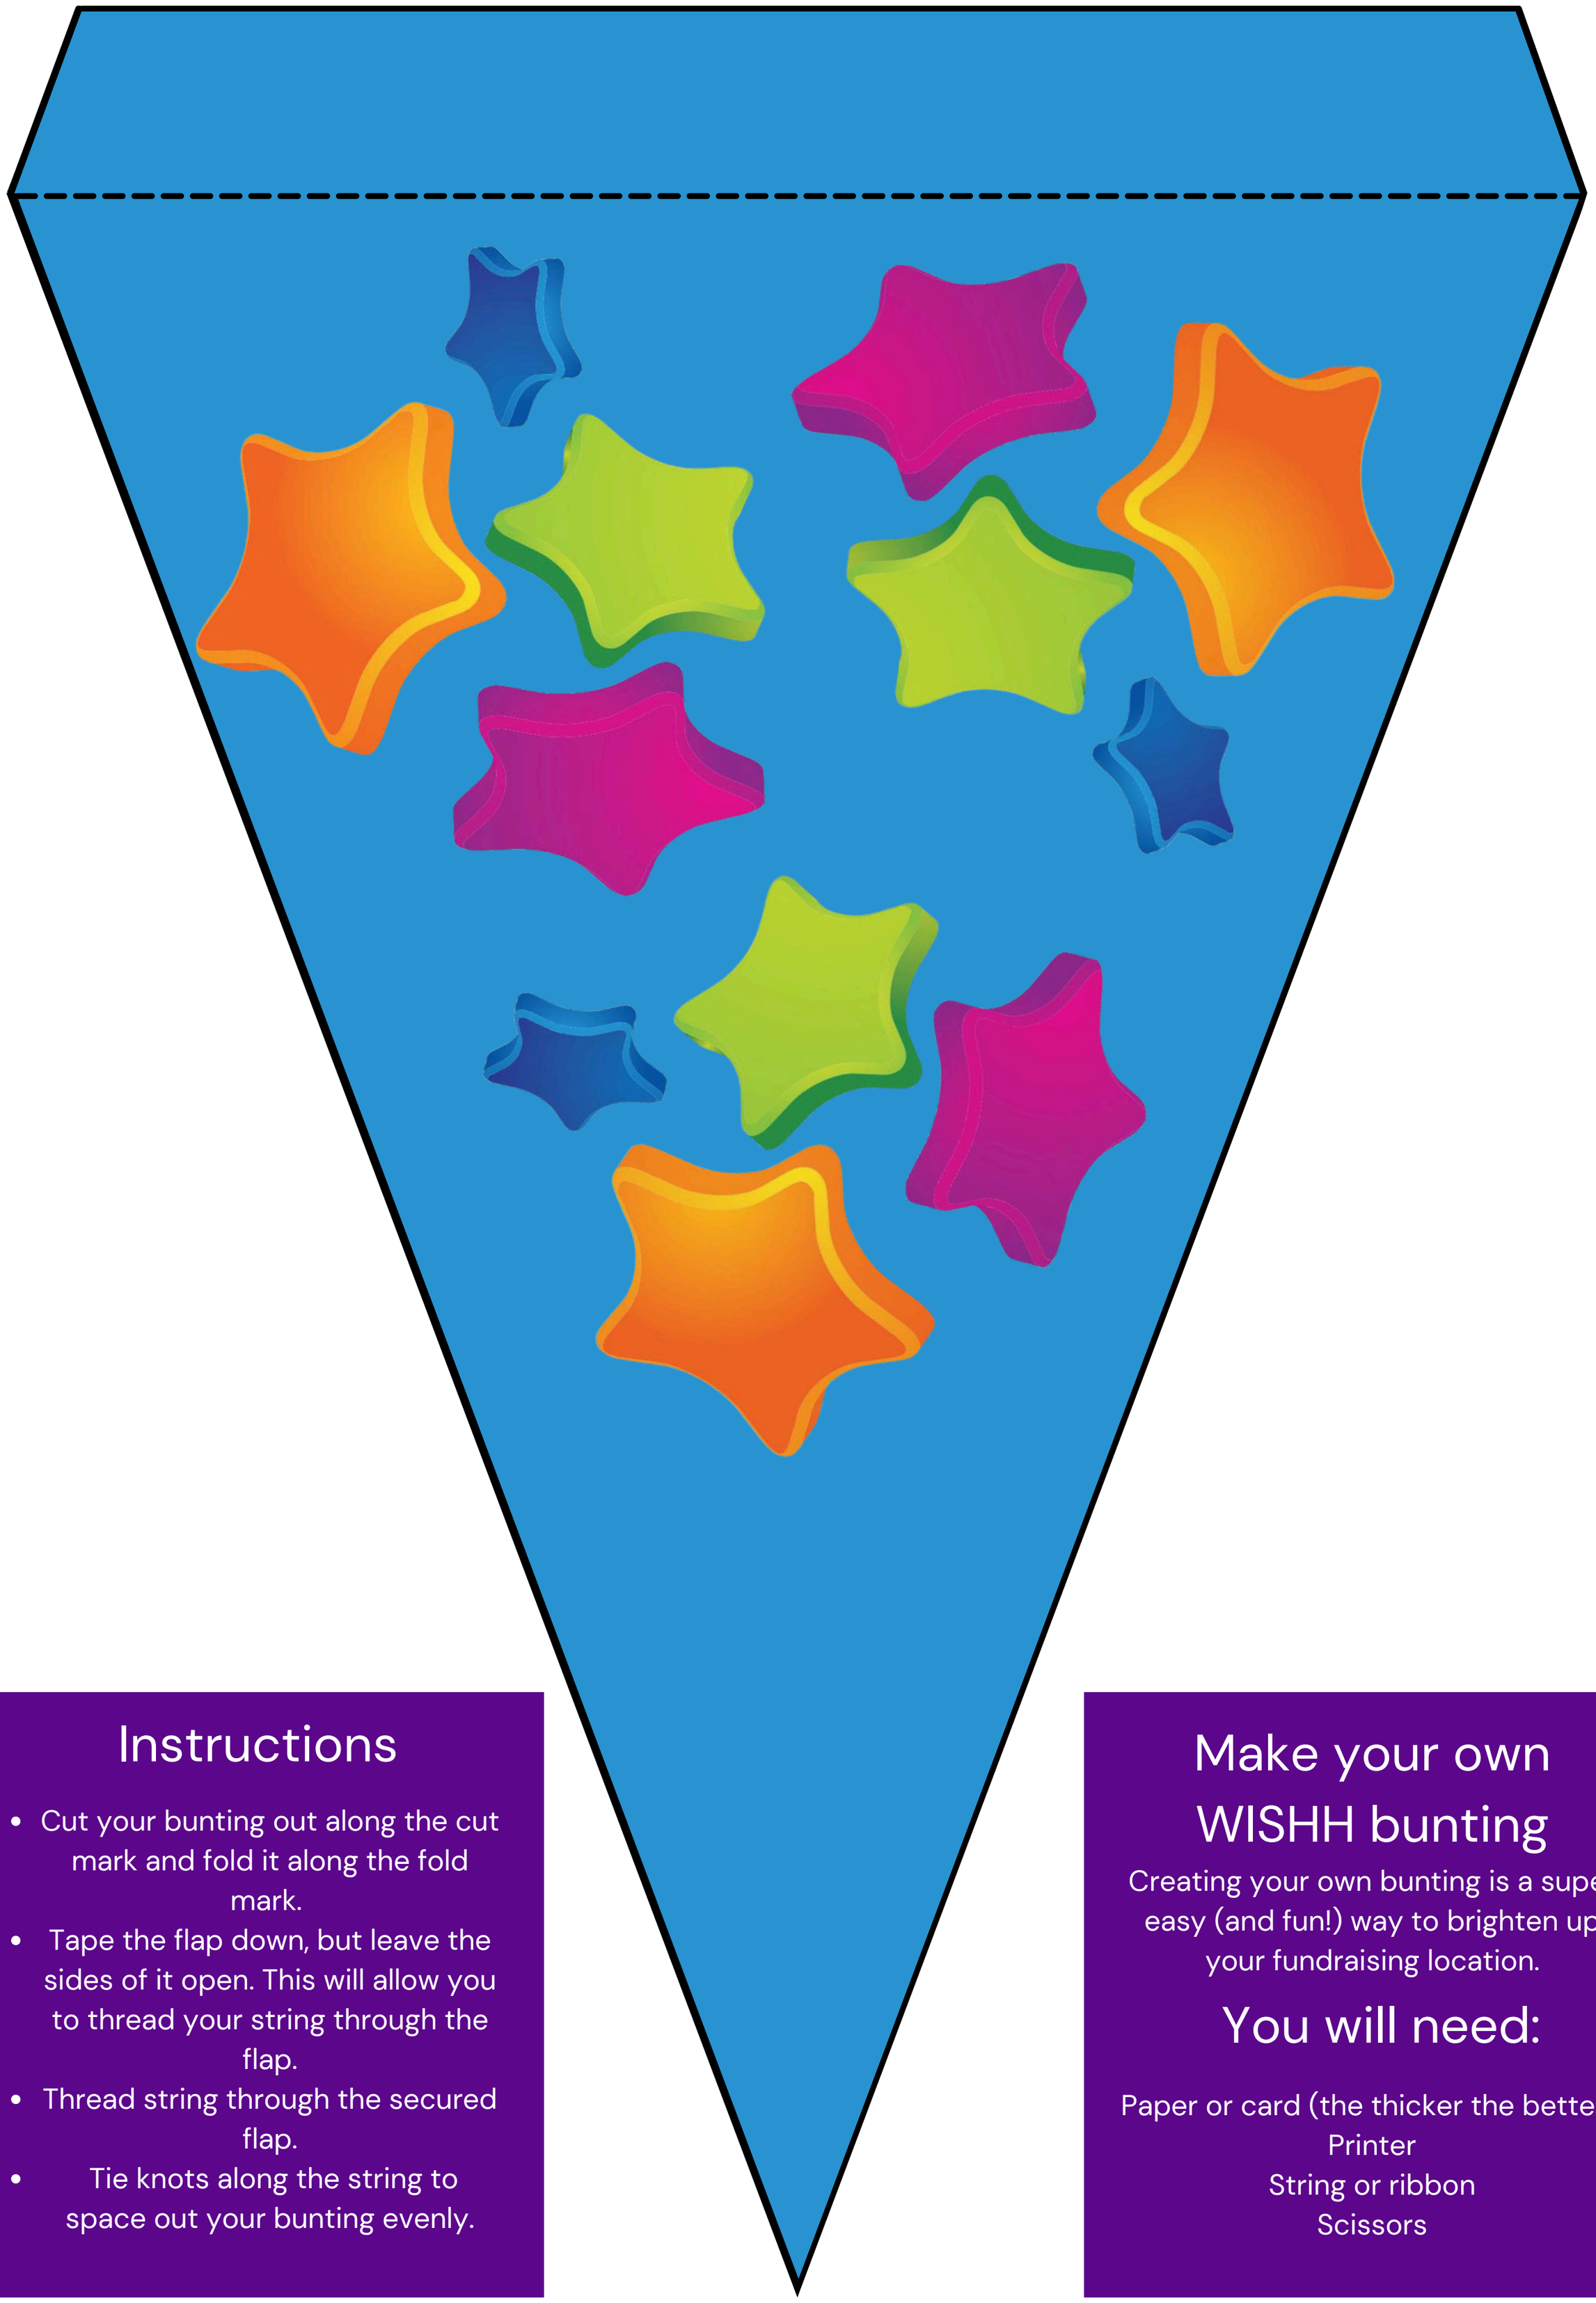

Make your own WISHH bunting

Creating your own bunting is a super easy (and fun!) way to brighten up your fundraising location.

You will need:

Paper or card (the thicker the better!)
Printer
String or ribbon
Scissors
