

Please support my fundraising event for the WISHH Charity

Because together we can make a real difference to the patients and visitors of Hull Royal Infirmary and Castle Hill Hospital.

Working Independently to Support Hull Hospitals

WISHH

The WISHH Charity is an independent charity set up to enhance the facilities, services and equipment of Hull Royal Infirmary and Castle Hill Hospital, over and above what the NHS can provide alone. Whilst the WISHH Charity is not responsible for the organisation of this fundraising effort, they are delighted that such a contribution is being made and thank everyone for their time, energy and generosity – it will truly make a difference to patients and visitors alike. To find out how visit www.wishhcharity.org.uk.
