Previous fundraisers have helped make a difference in so many ways across both Hull Royal Infirmary and Castle Hill Hospital.

Whether you choose to support requests from across both hospitals or if you have a specific ward, department, hospital or appeal that you'd like to support, we'll do everything we can to help make your fundraising a success.

We're here to help you make a difference to the patients cared for across Hull Hospitals.

Just a few examples of items fundraisers have supported

- Medical equipment to help enhance patient care.
- Wellbeing items for staff.
- Distraction items for children and babies such as books and toys.
- Benches and outdoor seating areas for the benefit of patients, staff and visitors to the hospitals.
- Cosmetic improvements to wards and departments.
