

BIG BAKE-OFF COMPETITION

A bake-off competition is a great way to raise more dough from your NHS Big Tea party!

Run a fun competition where anyone, no matter their baking level, can submit an entry to win a coveted title! On the next page are some suggested winning rosettes, but we've also created a blank option for you to create your own categories.

INSTRUCTIONS

- Invite your guests to enter their cakes. We have some recipes on our website you could send to your guests if they want inspiration.
- Secure a prize for each title, you could buy a small trophy and attach a rosette to each one or secure some prizes from local businesses.
- Charge a suggested donation of £3 per entry.
- Select a judge or a panel of judges to decide who wins each rosette.
- You could even add an extra level of fundraising to this competition, and auction off the Best Bake, or all the winning cakes to the rest of the guests!
