Introduction

Welcome!

Following last year's successful National Elf Service, we're bringing it back for another year! And we're so happy you're thinking about joining our team of amazing elves to help make a difference at Hull Hospitals this Christmas!

Festivity

Staying in hospital can be lonely, especially at Christmas, and we want to sprinkle some festive cheer to the children, babies, young people and medical elderly being cared for across Hull Hospitals over the festive period.

Our Pack

This handy fundraising pack is filled with ideas, posters and information to help make your fundraising the biggest success it can be! Please feel free to share this with friends, family and colleagues, and do get in contact if you need help!

Over to You!

Once you've read the pack and have your fundraising idea, it's time to get going! Our pack gives tips for setting up your Just Giving page and sharing your appeal on social media. Happy fundraising and welcome to our team of elves!

Making a Difference

Funds raised from our National Elf Service Appeal will enable us to buy gifts for babies, toddlers, children and teenagers cared for in the Children's Emergency Department, Eye Hospital, Anlaby Suite, Ward 130 and Paediatric High Dependency Unit, Acorn Ward, and other specialist areas across Hull Royal Infirmary and Castle Hill Hospital.

"The gifts were of enormous help to us. It created a less anxious environment for the children to cope during their stay and made the experience more positive."

"Thank you so much for helping us spread a little Christmas joy to the patients and staff on the wards. It has been brilliant to raise the spirits of the wards through these kind donations!!"

As well as children, we also provide gifts for older patients, items including slippers, toiletries, arts and crafts, reminiscence gifts for dementia patients and other items for wards, to help make the hospital stay more comfortable for patients. Some older patients may not receive visitors so we want them to have something special to open on Christmas day.

If you're a business or company and would like to help us spread some sunshine and happiness this Christmas, either through goods or a donation, please get in touch and we can help facilitate this. You can read all about our fantastic Christmas WISHHes (perfect for the workplace!) on the next page.
