Providing for Children in Hull Hospitals

Traditionally the children's wards at Hull Royal Infirmary receive kind offers of chocolate treats for youngsters spending time in hospital. However, Sister Anne Dalby on the Woodland Ward, said "Across the children's wards at Hull Hospitals we look after children and young people with complex medical needs, special dietary requirements, eating disorders and babies and toddlers with specialist health conditions. If kind hearted members of our community are wanting to help us spread the magic of Easter, funds can be donated to WISHH instead of delivering chocolates, to enable the generosity to go further and wider. This way we can buy arts and craft materials, activities, toys, games books, distraction and sensory items as well as baby toys for the wards".

There are plenty of ways in which individuals, businesses, schools and community groups can get involved and raise money to generate some Easter-themed cheer. Fundraising ideas include taking part in bunny hops, crafting, baking, donning Easter attire, and running Easter themed fundraisers in schools and workplaces.

Thank you for choosing to support the WISHH Charity on our mission to enhance Hull Hospitals for all.
